SECTION I: INTRODUCTION

The Unique Identification (UID) number (Aadhaar) is a national valid proof of identification issued by the UIDAI to all residents in the country. The number is:

a) Verifiable in an online, cost-effective manner.

b) Based on Biometrics and demographic data and

c) Robust enough to eliminate duplicate and fake identities in databases.

For residents across the country, Aadhaar is a transformational number which will improve the delivery of welfare programs and will provide residents, particularly the poor, greater access to resources and services. UIDAI has 8 regional offices across India, which is assigned responsibility for Aadhaar enrolment in respective states. Chandigarh Regional Office of UIDAI is assigned role for Aadhaar enrolment in States/UT of Punjab, Haryana, Himachal Pradesh, Jammu & Kashmir & Chandigarh. SECTION 11 Selections of Agency & Allocation of Work

SECTION 11(A) Selection of Agency

1) Selection of an agency will be carried out category wise based on a weighted composite success score attained through technical and financial bid evaluations.

2) Among the technically qualified bidders, the bid with maximum discount offered on DAVP rates/maximum discount on Upper Limit will be the considered as the minimum price bid and hence accorded a score of 100 and other technically qualified proposals would be assigned financial score in inverse proportion as per their price bids.

3) For example, agencies A, B and C offered discounts of 10%, 5% and 4% respectively. Then the minimum price bid is given by agency A at 90% (Fm) and will be given a financial score (Sf) of 100 points. Then the financial scores (Sf) of the other Financial Proposal will be determined using the following formula:

\[ S_f = 100 \times \frac{F_m}{F} \]

where \( S_f \) = Financial Score; \( F \) = price bid and \( F_m \) = minimum price bid. Here, the price bid of agency B and C are 95% and 96% respectively

4) The agency attaining the highest maximum combined evaluated score (Technical and Financial Score) would be selected as L1. In case the highest composite score is the same for more than one bidder, the bidder with the higher Financial bid score will be awarded the contract. The decision of the committee will be final and binding.

5) The agencies selected through this RFP will be required to sign an agreement with UIDAI, RO Chandigarh accepting the terms and conditions laid down by UIDAI, RO Chandigarh (including but not limited to as given under various sections and Annexure A of this RFP document). After signing of the agreement, no variation or modification of the terms of the agreement shall be made except by written amendment signed by both parties.

6) Ideally UIDAI RO Chandigarh for smooth co-ordination would like to have singly agency. If one agency is found to be L1 in at least three categories (scope of work), it will be asked to match the rates of L1 in fourth category as well. If agency agrees on L1 the agency will be hired/ empanelled for all the four scope of work

SECTION 11(B) Allocation of Work

1) UIDAI RO Chandigarh will provide work orders from time to time for specific assignments.

2) UIDAI RO Chandigarh reserves the right to ask the agency to revise the work on the creative/script/storyboard till the work is approved. The DDG UIDAI, RO Chandigarh will be the final authority for selection of creative design/scripts/storyboards.

3) Work Order will be offered as per requirement of the RO Office and based on availability of funds. RO Office will not guarantee or give any type of assurance to offer any pre-defined numbers of work orders per year or per month.
SECTION 12 Schedules of Payment

1) No advance payment will be made by UIDAI RO Chandigarh. In certain cases, agency may seek advance against the expected expenditure to be incurred for an activity. If found justified, DDG, UIDAI RO Chandigarh at its own discretion may approve the same.

2) UIDAI RO Chandigarh shall deduct Income tax at source as per relevant income tax rules and shall provide TDS certificate for the same to the agency. Payment of all works will be based on rates quoted by the agency. In case where upper limit is of DAVP rates, any revision by DAVP in rates will be accommodated and discounts will be applicable on revised rates.

3) The agency will be raising an invoice on completion of work as mentioned in the work order. Payment shall be released within 10 days of invoice raised by the agency.

4) No payment will be due on creative which have been asked to modify or are not accepted.

5) In case of delay in execution of the assigned work by the agency, a suitable penalty up to 10% of the project value may be imposed. In case of unjustified delay, DDG UIDAI RO Chandigarh may annul the project and shall be at liberty to get it done from other agencies.
